Petworth to Play Cornell and Commissioners.

CORNELL MANAGER CONFIDENT

Expects His Team to Win Easily from Suburbann Leaguers - Washington Winner Will Play in Philadelphia on 10th-Amateur Baseball Commission Defended.

By N. T. WORLEY. When the Petworth nine takes the field this afternoon to do battle with the Commissioners and Cornell Company clubs, the Suburban champs will play with the eyes of the amateur baseball public glued upon them, and with a realization that it is in their power to decide the championship of section A by beating one or the other of the leaders.

Petworth has confidence when it plays the Commissioners, due to the fact that at a great clip, and also because the northwest aggregation has no fear of way of 'Dick" Robertson. It is hardly possible hat the manager of the Departmental Leaguers will pitch Robertson against Jones' squad, because he has Byrd, who is a corking good twirler, and does not wish to risk his pennant chances by pit-ting "Dick" against a team that has batted against him all the year.

Manager Cornell is confident that his team will easily defeat the Suburban outfit, although he is sure that he will have to play his hardest to land a victory. In view of the crippled condition of the Paperhangers and the fact that Petworth played them to a tie last week, the fans are expecting a close contest bet zeen these two teams.

The first game will be called at 20 clock and the second battle will commence promptly at 4:15. Both games will be played at Capital City Park.

In the majority of cases, when the whole thing is sifted to the bottom, it is found that the charges are without foundation of fact, and that they are generally the result of petty jealousy.

The Philadelphia Inquirer announced the amateur commission, no matter now thinly veiled that slap may be, and it ils one which is unjust.

In passing, it is well to mention that from the first it has been apparant that the other three teams in section A have been lined up against the Cornell team.
